Bringing unlike minds together

IIT Madras Research Park, India's first university-based research park is a Sec 8 not for profit company promoted by IIT Madras and conceived by Prof. Ashok Jhunjhunwala in the spirit of breaking traditional barriers.

We aspire to build a knowledge and innovation ecosystem where industry leaders and scholars can collaborate with state-of-art technology to integrate and apply advancements in knowledge to real-time products or services. By fostering partnerships and assisting new ventures, we are determined to transform and exceed the global standards of the research and development industry.

70+ R&D partners | 200+ Startups | 3000+ Professionals | 1.2 Million Sq.ft Facility | Industry X Academia
