Customized Energy Solutions is the founder and operates India Energy Storage Alliance and MENA Energy Storage Alliance, which are membership-driven groups that promote Energy Storage, Electric vehicle and Green Hydrogen technologies and applications globally. Customized Energy Solutions India Private Limited has its registered office at A501, GO Square, Aundh Hinjewadi Link Road, Wakad, Pune, Maharashtra, India – 411057

Disclaimer: The CES Investor Circle serves to help connect potential investors with various early stage and start-up ventures working in the energy field. It is not a Sponsor, Alternative Investment Fund or Fund Manager as those terms are defined under the regulation of the Securities and Exchange Board of India (SEBI); nor is it subject to SEBI's Intermediaries Regulations. While the CES Investor Circle will use its best efforts to help investment sources identify and work with companies that best match their interests and goals, it makes no warranties or other promises with respect to the financial condition or prospects of any company, and any potential investor should conduct its own due diligence with respect to such companies.
